Hi Heather.

Attached, per your request.

FYI, Pat Pfaltzgraff was looped in, i.e. on call down & email list and requested that CDPHE Spill Report line be added to call down list for additional redundancy.

Nancy Grantham, EPA, (cc'd) can provide addl info re: EPA Dec 15 timeline for comprehensive watershed communications plans.

Please let me know if you need anything else. Great to talk to you!
